7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust

within 200 words

Gondia district is situated at the easternmost boundary of Maharashtra. The characteristic feature of district is the considerable population of Gond Tribe (hence the name Gondia), local Adivasi tribe. Apart from Gonds, castes belonging to scheduled category also have large population. Moreover the progress of district is largely affected by very violent Naxal activities. Due to this, most families are struggling for their daily livelihood. Deori is one of the taluka places out of eight talukas of Gondia. It is situated in the heart of great Nagzira forest. Major chunk of Deori's population belongs to SC/ST. For the bread and butter most of the families were depending upon tendupatta collection (Bidi Labour), Moha Flower collection and labour in other's farm. Many Passed students belonging to ST category went on for post-graduation. Many of them are in government jobs. Currently above 50% students of college are belonging to ST category. Despite of all these lacunas, we as a unit constantly are doing our level best to give quality education. Abiding the social responsibility college will continuously walk along the path to hold the distinction in the education of youths from downtrodden families especially Gond Adivasis.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Gondia district is situated at the easternmost boundary of Maharashtra. The characteristic feature of district is the considerable population of Gond Tribe (hence the name Gondia), local Adivasi tribe. Apart from Gonds, castes belonging to schedule category also have large population. Moreover the progress of district is largely affected by very violent Naxal activities. Due to this, most families are struggling for their daily livelihood. Deori is one of the taluka places out of eight taluka's of Gondia. It is situated in the heart of great Nagzira forest. Major chunk of Deori's population belongs to SC/ST. For the bread and butter most of the families were depending upon tendu patta collection (Bidi Labour), Moha Flower collection and labour in other's farm. Many Passed students belonging to ST category went on for post-graduation. Many of them are in government jobs. Currently above 50% students of college are belonging to ST category. Despite of all these lacunas, we as a unit constantly are doing our level best to give quality education. Abiding the social responsibility college will continuously walk along the path to hold the distinction in the education of youths from downtrodden families especially Gond Adivasis.
