Institutional Core Values

The assessment framework of college is thus based on the following five core values.

CONTRIBUTING TO NATIONAL GROWTH

To provide conducive atmosphere to the remarkably capable and qualified teacher recruited on merit basis, to adopt to the new changes by deputing for professional development programmes to cater economic, social and academic needs of the immediate locality and thereby as a whole to the national needs.

INFUSING GLOBAL SKILLS AMONG STUDENTS

To equip students with employable and entrepreneur skills and ensuring global competencies among students by launching certificate courses and value added courses in the college.

INGRAINING VALUES AMONG STUDENT

To offer students a host of programmes and activities infusing core universal values of truth, righteousness, unity, integrity, peace and fraternity of the inflow of the students.

USING AND UPGRADING THE TECHNOLOGY

Encourage the use of latest e- gadgets and technological innovations for teaching, learning and governance by ensuring the purchase of such tools and technologies and their proper utilization.

PURSUANCE FOR EXCELLENCE

To follow consistency in excellence and start self-assessment by adopting new technologies; devising policies and plans of managing human resources; utilizing physical facilities optimally. To make IQAC & steering committee functional on creating excellent, self-reliant, employable, righteous and responsible students contributing to nation building.
